WordPress Developer | Full-Stack Web Developer

My last position was as a web developer for an agency startup making bespoke WordPress websites for clients across numerous industries. In addition to programming languages like JavaScript and PHP, I'm also great with tools like Git, XAMPP, Leaflet, PHPMyAdmin and Figma. I'm insanely hard-working and evidence of my work is below and in the Featured Section on LinkedIn.

CORE COMPETENCIES

- | | | |
|-------------|----------------------------------|------------------------------------|
| ▪ WordPress | ▪ JavaScript | ▪ PHP |
| ▪ React | ▪ jQuery | ▪ Tailwind |
| ▪ Bootstrap | ▪ Git | ▪ MySQL |
| ▪ HTML | ▪ CSS | ▪ Github |
| ▪ Figma | ▪ Copywriting & Content Creation | ▪ Search Engine Optimization (SEO) |

PROFESSIONAL EXPERIENCE

EXPRESSION | CHORLEY, UK | JAN 2024 – APR 2024

Full-Stack Web Developer

Tech Stack: WordPress | JavaScript | PHP | MySQL | React | Laravel | SCSS

- **Design & Construction:** Plan and execute simple, easy-to-navigate web design boasting captivating and visually-appealing elements and resources contributing to aesthetics and user experience.
- **Collaboration & Execution:** Attend team meetings and liaise with team members to plan and implement innovative and creative applications following precise specifications. Employ best practices of WordPress and programming languages.

CHINGU | AUG 2023 – SEPT 2023

Frontend Web Developer (Voluntary)

Tech Stack: HTML | CSS | JavaScript

- **Deliver Minimum Viable Product:** Determine how best to accomplish objectives and deliver final solutions for acceptance by team leaders. Commit to Github using version control systems like Git.

FREELANCE | NOV 2015 – NOV 2023

English Second Language Tutor

Working on numerous educational platforms such as Lingoda and PalFish, deliver carefully-crafted lessons catered to students from a multitude of abilities and backgrounds from almost every continent.

- **Lesson Planning & Delivery:** Plan and execute tailored learning plans and write critical evaluations of students' performance and improvement. Help non-native speakers master English pronunciation, composition and conversational skills.

FREELANCE | JAN 2013 – AUG 2023

Copywriter | Blogger | Proofreader

Working across a range of media platforms, including renowned publications like Lifestyle Collective, craft compelling copy, engaging blogs, and execute meticulous proofreading, primarily within the travel sector.

- **Copywriting & Content Creation:** Expertly fashion captivating web content, transforming brands' narratives into compelling stories, driving traffic, generating interest, and converting audiences into brand advocates, boosting client engagement.
- **Blog Writing:** Pen engrossing travel-centric blog posts that invoke wanderlust, inform readers of global hotspots, and offer insightful travel tips, amassing significant reader engagement and boosting organic website traffic for various clients.
